Dear Chandru,

We were supposed to get and KST invoice for main kitchen for 900 Man days in November (30 HC *30 days) and we have again received an invoice for 1029 Man Days.

Unable to understand where the disconnect is because in your mail below you have clearly written that we have reduced the manpower from Nov 24.

Besides the above, the total cost has gone up from 7.68 lakhs in Oct 24 vs 7.88 lakhs in Nov 24. Kindly check and explain the reasons.

Please share revised bill for further processing.

Thanks & Regards
