Dear Mr. Rane,

ARAYA

LOUNGES & EXPERIENCES

As per your instruction, our associate has conducted the search of the trademark " ARAYA " in Class 43 in Hong Kong.

According to the search of the records of registered trademarks and applications for registration, we are very pleased to inform you that there was no trademark on record that resembles this trademark. A copy of the official search report is attached for your reference and record.

Our preliminary advice on registrability is that an application for registration of the mark would likely be accepted.

Please contact us in case you require any clarification/information.
