Dear Manmeet,

Greetings. I hope all is well your side.

Here is the new upgrade version that we have opted for Neon tech on DMB's.

Apart from many features that are fleshed out in the presentation; apart from many features, 2 main feature of anytime assistance to upload creative until 11:30pm unlike current where the cut off time is 3pm. Unlimited space and support.

Attaching a proposal. Kindly help close this at earliest.

Once approved from your side, Chetan will have a quick call with marketing spocs and neon to smoothen the process.

Request your approval so this can be factored into Nov billing starting 15.11.2024.

So total additional cost to your ongoing billing will be Rs.5244 per month. (works out approx. Rs.92 per screen). Total 57 screens at Delhi.

@Charandeep Singh Request, once approvals are in place, Kindly get Accounts team aligned (email approval and call) on the same so there are no issues in billing and payments.

Thank you.

TAX INVOICE

@Honey Jain once you have approvals, please align your accounts team with this email and refer to it every time you bill initially atleast for first 3 months.

You can remove me from the email chain and move forward with chetan and team to bring this to closure.

Thank you.

Regards,
