Dear All

The kitchen staff was transitioned basis this mail, which is impacting TFS PNL by 12 lakhs as GST loss on it. Since the matter has not been agreed by auditor, though I still feel strongly against it. This cost must be compensated to TFS as it was done for efficient transfer of resources.

If this is not agreed for this month then we do transfer the resources back and now do only after security program is cleared.

Amrit : Kindly work with Ameet and arrive at a logical conclusion.
