Importance: High

Kumar,

Please hold raising the below invoice for now.

Guru/Sudarshan

As discussed in the call, understand that the store has been bifurcated between SKPL & TFS. The below issues are made from SKPL store and hence it is not required to be passed on to SKPL. Please revalidate and confirm all the costs w.r.t. SKPL outlets which has been incurred in TFSPL.

For Kitchen, please share the total value of issue during the month, for us to allocate the incidental cost between the two entities.

Value of Issue to SKPL outlet =

Value of Issue to TFS outlet/lounge =

Subject: RE: MUM - Transition of F&B units and Lounges (T1 & T2) to SKPL

Dear Nilesh,

It is recommended that all the balance outlets of Mumbai T1 other than bars and Travel Club Lounge be transferred to SKPL at one go on 27th June 2024. Piecemeal transfers of the outlets adds avoidable burden to the stores team. Even in the current scenario, the T1 stores will have to undertake the month end activity twice – once on 26th to ascertain the stocks transfer to SPL and second on 30th June 2024 as per SOP in vogue.

It is further suggested that a call be set up with all the stakeholders to get clarity on the way forward and to iron out all such issues.

Best Regards

Importance: High

Dear Akshay,
Since we have received the approval from BCAS for the following units as per our last discussion the Transition of these units was scheduled on 15th June, however the major challenge is due to the Health License not been issued for these location. Hence we need to plan a alternate date for the transition of these units to SKPL.

The last date for TFS Staff AEP is 27th June 2024 and we need to apply for new AEP for these staff before 16th of June 2024. The Store team will take 2 days shut down for stock counting once the date is finalised.

Suggest to have a meeting with all HOD to align the timelines and the dependent activities today 2nd half or 2mrw 1st Half. I can share a meeting invite for this.

Subject: RE: MUM - Transition of F&B units and Lounges (T1 & T2) to SKPL

Dear Akshay & Ameet,

We are reaching June 01, 2024 which was our target date for Transition of Lounges & F&B Units to SKPL, however there are multiple dependencies which may delay the transition and postpone the date.

Request you to both have a Workshop today / tomorrow with all the concerns HOD to have them align for the transition which may or may not occur on June 01, 2024 completely. There have been multiple discussion in parts and pieces ongoing within the teams and hence, would request for such a meet, so that each and everyone is on one page.

We can have back-up plans ready incase the Transition is not completed on June 01, 2024. We have to also consider that the Central Kitchen is available till end of May 2024 only and further request is to be made incase the same is to be continued further.
