Hello Kunal,

As I mentioned in the previous email, both branches are different, and hence POs cannot be created this way. It is advisable to discuss with the Finance and Tax team before making such decisions. However, since you did this due to urgency, I assume the required approvals from Mr. Rituparn and Gaurav have been obtained. Kindly share these approvals for our records and documentation.

**@Purchase Team:** Please provide a revised PO with the correct branch code and address to proceed with the payment. Do the needful as soon as possible.

Regards,  
Parag Pandey

Hi Parag,

This was a last-minute requirement that's why we raise the PO on Karnal Haveli being both sites are under Haryana state. Later the agreement was made under TFSPL whereas Karnal is under TFS(R&R)PL. we are correcting the same through Procurement, In the meantime as a request please release the payment so that we can get the material at the site asap.

Regards  
Kunal

Hello Team,

This is a wrong practice because both branches are separate. Please don't do this in the future and discuss with us before proceeding with anything like this. Please correct it and submit it for payment as soon as possible.

Purchase Orders (POs) should be created in the respective branch with accurate cost centers. This is crucial for MIS and spend analysis hence there is no scope for deviation.

Parag Pandey
