Dear Mr. Lakshmi,

We are using Office 365 for our Email System and already have a mix of O365 subscription licenses running as of now.

Looking for the "Office Apps" which can be installed on systems for Semolina Kitchens users.

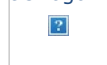

Need to discuss which plan suits best and recommended i.e. Office 365 E3 / Office 365 E1 + Apps for Business / Perpetual Office licenses.

Request if you can let me know your availability to discuss the same further.
