This has been Notified to give relief against the earlier multiple charges of TDS on the sale of the same software as it is transacted from OE to Distributor to Retailer to end user. Earlier TDS was deducted at each stage. Now with this notification this situation stands corrected and TDS u/s 194J would be charged only once in the entire transaction.

The notification states as follows:

As per this notification no deduction of TDS u/s 194J shall be made on payment for software purchase if following condition are satisfied:

- 1 Payment is made by a person for acquisition of software
 - 2 Payment is made to Resident person
 - 3 Software is aquired in subsequent transfer and transferred the software without any modification
 - 4 Tax already has been deducted by transferor from payment made to original developer or previous developer
- Then transferee has no need to deduct TDS and just obtains a declaration and PAN no. from the transferor

As such in terms of the above notification we certify that we have deducted TDS under the relevant sections for purchase of Product software and you are now not required to deduct TDS from dues payable to Team Computers Private Limited for purchase of software from the fore going vendors.

We have implemented this change within our ERP. Hence please ensure that Purchase Orders issued to us contain the clause that TDS would not be deducted while making payments on the above software.
