Dear Ashok / Ranjandas,

We have reviewed the live kitchen roof requirement. Accordingly, we need one additional column instead of two numbers shown by you. Also, the column needs to be moved up by 300mm from the proposed location. This is required because the steel column needs to be located on the RCC floor beam only and not on the slab.

Please find attached drawing showing revised location of column for your review and confirmation.

Dear Shetty,

I have reviewed the structural requirements for the live kitchen and bulkhead.

Our offer for the design of the structural framing to support the false ceiling and services shall be Rs 10,000/- plus GST.

The fee does not include site visits. If site visit is required, the same shall be compensated at Rs 5,000/- plus GST per visit.

Dear Jagdish,

We are doing the renovation of T1 domestic lounge ph-2. We need the deck slab above live counter. Attach the architectural drawing for your further action.

Request give the proposal for the same.
