Hi Samrat,

Kindly find attached the list as sent by you, updated with asset numbers (tag numbers) to the extent available per the FAR.

For assets not in the books, have mentioned the same (owing to non booking of invoices).

For Lucknow, Jaipur and HO, the invoices were posted on 22.02.2024 (mailed to you separately, requesting for cost centres in order to capitalise).

Thanks,

Mukul.

Dear Pankaj,

Pls find below the list of Semolina users which are currently using TFS Assets. As suggested by you we will have to take back the TFS assets and give them semolina assets.

Dear Ameet,

Pls approve the below 9 assets to be purchased for semolina.

Also refer trailing mail from Semolina HR (Kumar Neer), that we require 18 new laptops for new joiners in the next 3 months. 18+9 = 27 assets.

Pls let me know how many laptops you would be requiring for Kurla office for next 3 months so that I can add them in the final count.

Pls revert and approve immediately as we have left with no laptops for semolina.

@Asad pls purchase o365 licenses accordingly once approved.
