Subject: Proposal for Kiosk AMC

Kind Attention: Mr. Deepak

J2K Kiosk Solutions: We are one of the leading Kiosk manufacturers in India.

We design and produce Custom Touch Screen Kiosks to meet the very special requirements of our customers.

Our Kiosk Solutions: The J2K Information Kiosk will enable your customers to interact with information resources through touch technology and user-friendly interfaces. They are typically placed in retail stores, airports, libraries, company cafeterias, malls, and other convention centres. These public computer systems are designed to provide an alternative avenue to reach information and wide range of services. The user is presented with user friendly equipment which has been designed to provide a simple interface to novice computer users.

Scope of AMC:

- 1. Quarterly PM**
- 2. All down calls.**
- 3. Consumable items like Printer Head, Power Adapter, Charging Adapter, USB & Power Cable Etc not covered under AMC.**
- 4. Water Damage, Physical damage, Vandalism, act of God, act of pests, animals, Earthing/Electrical un-stability will not be covered under AMC.**
- 4. Up-gradation/Integration [Depends on scope].**
- 5. Demand Services will be chargeable**
