D-tect 200 C Professional

The wallscanner for exceptional results:
top performance and easy documentation

WHY THIS

01 Bosch Radar Technology and modern user interface for precision, higher safety, and clear illustration of detected objects

02 Multiple views flexibly offer best results in various situations

03 Screenshot feature supports quick and easy documentation; screenshots are downloadable via USB-C™ and SD card slot

APPLICATIONS

TARGET USERS: Building construction and civil engineering | Interior fittings | Installation

LEAKAGE DETECTION allows fast location of a leak

RADAR TECHNOLOGY for precision and higher safety

MODERN AND INTUITIVE USER INTERFACE allows clear illustration of detected objects

USB-C™ AND SD CARD SLOT enables quick data transfer

SCREENSHOT FEATURE supports quick and easy documentation

DEPTH INDICATION gives valuable additional information

MULTIPLE VIEWS offer best results in various situations

DUAL POWER SOURCE for 12V Li-Ion batteries and standard alkaline batteries

Technical Specifications

Max. detection depth	200 mm
Lateral accuracy*	± 5 mm
Bosch Radar Technology	yes
Dust and splash protection	IP5X
Detectable objects	(Non-) live cables, (non-) magnetic metals, water filled / empty plastic pipes, wooden studs
Wall types	Brick / universal, concrete, drywall, panel heating, vertical coring brick, horizontal coring brick, early age concrete

* plus use-dependent deviation
