Subject: RE: Color printer required for training purposes

Dear Nikhil,

The yield is just 50 pages a day as discussed with Sadhasivam, hence recommending to buy a HP (MFP 128nw price approx:- below 20,000/-) / Model Epson Ecotank L8050 price approx 20,000/-.

Regards,

Samrat

Subject: Color printer required for training purposes

Dear Sir,

Request approval for procuring one colour printer required for training purposes. On an average, training dept takes approx. 50-60 color prints per month and the current existing common color printer used by Marketing is not sufficing the need.

The quality of print is also deteriorated due to wear and tear of the equipment as the equipment is over 2 years old. As suggested by Sadhasivam, we can procure the Epson Eco tank L8050 Colour Printer.
