Subject: FW: AHM_ Urgent Requirement of UPS and Grease Trap

Dear Trupti

Kindly raise an urgent PR for both units for Ahbd T1 Forecourt kfc

Note – These were a part of the PO items to be supplied by Pioneer, but the vendor is absconding and is not completing the snag list nor reverting to any mail correspondences or calls . The material is an urgent requirement for site completion as the kfc audit is planned on 11/11/24 . The same is been discussed with stephen

Regards
