Dear Santosh ji,

As per trail mail **Please confirm the colour combination for Ahmedabad Boarding Bites Kiosk.**

Accordingly we have to check availability of materials to start the production.

Also confirm about CCTV wiring, Data cabling and barrication which was not considered in PO which we received.

If these are required please issue the PO and advance for the same before dispatch.

Thanks & Regards,

SAndeep

Dear Pushpak ji,

I have reviewed the R1824 for Ahmedabad Boarding Bites Kiosk one Qty.

But some clarification is required to upload the RFQ as below.

1) As we have built the Boarding Bites two no of kiosks in Lucknow airport earlier the colour combination was blue laminate and orange MS powder coated sections. But later on we again refurbished the same kiosks with off white laminate and ivory colour MS powder coated sections. Attaching the photos for your reference.

. Please confirm the colour combination for Ahmedabad Boarding Bites Kiosk

2) We have transported the Boarding bites kiosk with Carts material for Lucknow airport so we did not charge for transportation. **But for Ahmedabad transportation needs to be considered.**

3) As we have to assemble the kiosk in the airport,there is no barrication item in the RFQ.

4) CCTV and Data Cabling is not in the RFQ.

5) We have fixed LED TV for Lucknow Boarding bites kiosk but in Ahmedabad clip on board mentioned please confirm the same.

Thanks & Regards,

SAndeep
