PROJECT NO:	DT3-N-03	ISSUE DATE:	31-10-2024
		PREPARED BY	

NOTES & INSTRUCTIONS	
1	Manufacturer to provide the same or equivalent quality.
2	Manufacturer to provide shop drawings and /or exact prototype for designer approval.
3	Manufacturer to submit finish sample for designer approval.
4	If manufacturer other than specified source is used, refer to the Preface referencing copyright issues.
5	In warm, humid climates, all exposed metal is to be powder coated to prevent rusting.
6	Manufacturer to submit hardware samples for designers' approval.
7	Dimensions are to be used as a guideline ONLY – final dimensions are to be confirmed with designer on receipt of shop drawings or prototype.
8	All Items provided to be contract quality suitable for commercial use.
9	To comply with relevant INDIAN Design & Construction Standards. Highest specification must be followed.
10	Refer to preface for performance specifications relating to fabrication and quality control etc.
11	All furnishings to be suitably packed for transportation and CLEARLY marked with the specification number.
12	Manufacturers to ensure that correct timber and construction methods are used for the furniture pieces, suitable for the climate and weather conditions.
13	Provide heat and stain resistant finish on all surfaces to be utilised by guest. (i.e., table top, desk top)
14	Manufacturer (vendor) warrants all products from defects and guarantees to replace all parts should they prove deficient within one year from owner acceptance. All costs in this regard to be borne by the manufacturer.
15	Adherence to local fire codes must be followed for all construction & finishing.
16	Refer to preface " General Conditions" for warranty requirements, environmental guidelines and care/ maintenance instructions.
