Entrance Beem signage

Measurement: 18 Inch H x 100 inch W

Ballroom 1 & 2 (external placement at Patio entrance)

Measurement: 4 feet X 4 feet

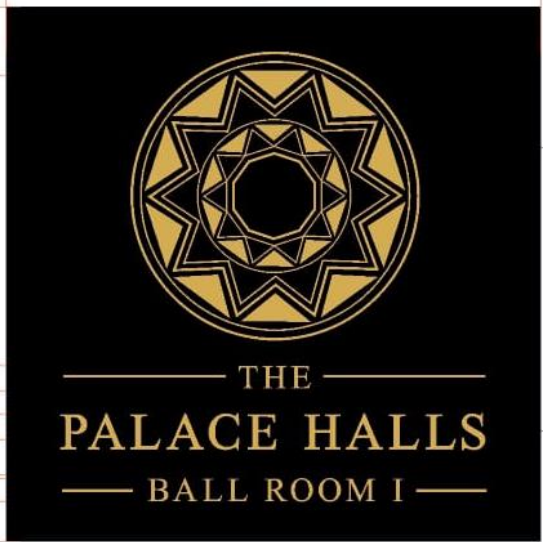

We recommend making this signage like the one on slide 11 (with the words Palace Halls) as

1. We don't have a prominent logo of Palace Halls outside the venue
2. Denoting just Ballroom 1 might not make sense for visitors

Main Signage to be changed as per the fabrication

Measurement: 4 feet X 4 feet*

This signage can just have the words Ball room 1 & 2 as it's inside the venue

*The signage in sales office behind the desk is of the same size

Fabrication details
