Dear Venu,

As discussed, your email along with PO of February 2023 for Bangalore airport Kiosk is being forwarded.

1. Even though the installations and integrations were completed by us during April, owing to issues with Payphi, we had allowed Stellar to function as demo version and license activated from June 2023.
2. During August 2 more Kiosk device software licenses were procured by you. (This can be renewed during end July 2024)

Kindly share the renewal PO against the attached Feb 2023 PO, ASAP as the same needs to be invoiced by us, invoice settled by your team during this month for license renewal.

Regards,
Shailesh
