Dear sir,

The material of the table structure is mild iron and the top of the table is particle board. If we agree to proceed with this option then let us know. Please find the attached image for reference.

Hi Shadab,

This table is inside the kitchen (e.g. Not visible to customer)... Would recommend that rather than building a manager table, you could buy it.

See link below.... Or you can buy any alternate ones that the vendor is offering (Length 1.0 – 1.2M)

Trust this helps

Warm Regards
