Dear Manish/Pradeep

Thanks for the update as per our Saturday dated:- 09-11-24 discussion.

Request you to share revised costing/BOQ with Stephen for further closure on the same once design/concepts are approved from Prakash end.

Treat this urgent and important for further closure on the above as need this Cart at site withing 10-12 days once design approved. Also share entire schedule of the same to aligned asset on the completion of Cart.

Regards,

Irfan

Dear Prakash,

This is regarding the **Guwahati Kiosk which is at your factory**. We are planning to launch a Biryani Bhai kiosk at LucknowT3 – Domestic SHA

It is informed to you that we have checked the Guwahati Curry Kitchen kiosk .

Please note we can use 3 side full height partitions ( MS Structure +Ply Cladding ) and flooring only .

Rest Counter & Finishes items can not be used as both kiosks have different design concepts . For reference , Please find Curry kitchen 3D Render .

Now as per our discussion , Please find 3D concept for biryani Bhai LKN for brand approval .

Besides that , We will require equipment sizes for counters and all .

[@stephen.p@k-corp.in](mailto:stephen.p@k-corp.in) [@Irfan Sayed](#) We need commercial approval for new furniture and other things . Kindly have a look into this .

Further , For any query , Please feel free to contact us .

Thanks & Regards ,
