Dear Shama madam/Akshay sir & TC team,

I am writing this email to let you know that we are following up on the PO for the additional work done at Masala Kitchen and Khorikka at Guwahati outlets from last 7 months on regular basis.

We were asked to start this work by the projects team with a commitment that the PO will be issued to us for this additional work soon and need not to wait for it as there was urgency to complete the project.

We completed the work with a trust that we will soon get the PO. [Projects team has also certified the work.](#)

In the past 7 months we were asked to provide number of documents and revise the quotations multiple times. We provided all the required details and also the documents and clarified all the doubts of the TC team.

Inspite of that no action has been taken yet in this regard and we are still waiting for the PO.

We have been working for TFS from last 6 years. This is the first time we are finding ourselves in helpless situation.

Requesting you to please look into this matter and resolve it as earliest possible.

Will appreciate your help and support.
