Dear Moiz,

As discussed, below is the detailed list of our main Firewall devices we want to take under single Sophos account ID. There is one sophos firewall deployed on Azure as well, do let us know if that would be considered or not.

Also help us know the firmware upgrade plan and subscription renewals for these.

Contact Person : Asad Shamsi

Account Email ID would be [it.admin@travelfoodservices.com](mailto:it.admin@travelfoodservices.com)
