Dear Irfan,

As per the SOP received from Management, Commercial closure for Outlets exceeding a Capex of 2Cr. will be closed by Adani TC team. Considering this being a lounge, we assume that the Capex to exceed 2Cr. In this case the same needs to be concluded by TC team.

Else, Request you to confirm the Capex cost for this particular outlet to act accordingly.

Dear Abid,

We had done the main header piping from MRS station to the all F&B outlet including lounge. Internal layout from the tapping point to the equipment has to be done by the designer with the help of JV team (for the identification of the gas equipment).
