Dear Shama

As per our last week multiple teams meeting with brand on the additional costing and today's discussion, find attached revised details.

We need to give them mail approvals and PO for both costing on immediate basis, billing will be done at actuals post completion of work & sign off from project team.

Note :- If we fail to give mail confirmation by today and PO within this week, then Brand will might move/withdraw their team again till the time we give them the required PO's and approval.

Need your and Akshay approvals to proceed further PR raising & mail confirmation to be given to brand to avoid any stoppage of work.

Regards,
Irfan

Dear Irfan,

I have attached the two estimates along with the details you requested for their processing.

Cost 1 – Amount: 1.51L

We have included the supporting documentation for point D, which covers room rental and scaffolding rental charges.

Cost 2 – Amount: 5.34L

The rental amount has been revised due to a miscalculation in the previous sheet. For the wage details, please refer to the sheet included in the same file for your review.

Despite the increase in costs, we have kept rental and various expenses low, including calculating wages at only 1125.00.

Kindly review the documents and provide the purchase orders for the next steps.

Dear Shama,

Please address the pending payments and ensure alignment of the purchase orders to facilitate the smooth progress of the project.

Regards
Sahil Jain

Dear Sahil/Purbasha

As per our today's team call with Shama, request you to share revised cost bifurcation by today for further management approvals for further PO generation.

Meanwhile aligned your site team to finished balance work which is available at site to avoid further delay.
