Dear Sitaram Ji ,

As discussed , food court panel is active now. We have provided non-essential power supply. Pls segregate your load accordingly as we already have essential panel(existing)

Regards,
Uday Kumar

Dear Sitaram,

Electrical load requirement of the outlets is kept on increasing. As we have already told multiple times that the present infrastructure of this terminal building is not sufficient enough to cater never ending load requirements.

You are requested to work out again on electrical load requirements to fit in the existing infra.

Regards,
Uday Kumar
