Title	Windows Print report
--------------	----------------------

Problem/Requirement Summary
<p>In the existing Navision application OPOS printing is used, TFS team is looking forward to print the report (same alignment & same format) using windows printing.</p> <p>Below are the reports to be printed using windows print option.</p> <ul style="list-style-type: none"> • Customer bill report – tax invoice and credit memo • KOT – Order goes into Kitchen which to be printed using windows

Proposed Solution
1. Need to build two new RDCL reports. (Customer bill & KOT)

Impact Analysis
