Dear Sushma,

As per our discussion, the COCO CART signage will be handled by the brand, and we do not need to arrange for any artwork.

I have attached the artwork for Masala Kitchen. We have designed it with a backdrop to minimize damage to the façade laminate. *We have considered a Signage height of 400 MM.*

Please review and approve the attached artwork so we can proceed with the execution.

Thank you for your attention to this matter.

Thanks

Prakash Mistry

Dear Team,

During the site visit with the Commercial Team and JV Partner dated 12/6/2024, it was clearly instructed by Harshad Sir, that in D-16a, where CocoCart and Masala Kitchen Cart are placed, a signage is required for both the outlets. Location and Signage guideline is attached below. Install the signage within a week.
