Hi Binu/ Stephen,

As per the trail mail, we have received a request to install an additional DMB frame for putting up a new 43" LED (for the menu) in KFC, as they would like to have this work completed ASAP. Kindly confirm if we should raise the PR for the same, or if you will close this request with the existing vendor (Rudra).

Please confirm.

Warm regards,

Subject: A new DMB stand is required for the menu at KFC with a 32" LED display.

Sir,

As per yesterday's observations by DIAL, it has been noted that we need to fix another menu screen on the back wall. Consequently, there is a requirement for an additional DMB stand for a 32" LED TV in the KFC outlet for the KFC menu display.

We have reviewed the site and discussed the provision with the vendor (Manoj) from Rudra Interiors. Kindly confirm so that we can proceed with the execution.

Warm regards
