Dear Santosh,

Could you please let me know if any further updates on the PO for additional work completed for Dhaba, Nourish and Idli.com outlets at Ahmedabad airport.

We had initiated discussion for additional work long back but as per your suggestion we waited until the end of the project to make consolidated list of it so as to avoid multiple POs.

Now there will be no further addition and we are ready with the required list of additional work we request you to please certify the work and process it further for PO processing on priority basis.

Kindly note that the amount of additional work is significant and we are not in position of holding it back for long time.

Requesting your support on the same.

Thanks and regards,
Shirish
