Hello Samrat,

As discussed with you over the phone calls about the NSO ,as business has requested for IT infra setup because they will open another two more stores start from tomorrow .

I have this much pos's in spare stock ,and I won't have anything in stock after I use it from the spare. Please look into it.

Moreover, I would like have spare pos's & other accessories in stock to maintain the minimum stock and ensure to meet customer demand on time ,I would request to please approve.

Current Spare in stock

- 6 pos printer
- 2 New Pos set (pos bank)
- 8 Cash Drawer

Requirements to maintain the minimum Stock.

1. At least 4 POS machines set
2. 15 POS Printers
3. 10 Cash Drawer

Thanks & Regards,
Shubhendu Biswas | Manager-IT | Phone :- 9748373744
