Dear Prakash,

This is regarding the **Guwahati Kiosk which is at your factory**. We are planning to launch a Biryani Bhai kiosk at LucknowT3 – Domestic SHA

It is informed to you that we have checked the Guwahati Curry Kitchen kiosk .

Please note we can use 3 side full height partitions (MS Structure +Ply Cladding) and flooring only .

Rest Counter & Finishes items can not be used as both kiosks have different design concepts . For reference , Please find Curry kitchen 3D Render .

Now as per our discussion , Please find 3D concept for biryani Bhai LKN for brand approval .

Besides that , We will require equipment sizes for counters and all .

@stephen.p@k-corp.in [@Irfan Sayed](#) We need commercial approval for new furniture and other things . Kindly have a look into this .

Further , For any query , Please feel free to contact us .

Thanks & Regards ,
