Dear Stephan,
As discussed kindly find attached wet works boq . Quantities are taken approximately since designs are not yet finalised. Quantities will vary as per actual boq when design gets finalised .

You can use this one for RFQ but exact quantities cannot be given now in this boq and even variation of quantities percentage.

Regards

Dear Ebrahim,

As discussed please find the **Standard BOQ** for **Wet works** enclosed.
Request you to review the same and provide the estimated quantity required for all outlets. Also, add in if any item is missed.

Upon confirmation we will have the RFQ floated with multiple contractors for Rate Contract.

Regards
Stephen
