Subject: FW: Requesting approval for installation of dishwasher dosing pump-Capex(QA requirement)

Dear Sir,

Requesting approval for capex expenditure of **INR.1,98,712/-** for installation of dosing pump for **8 units** of dishwasher and glass washer at Copper chimney outlets.

The dosing pump is necessary for chemical wash of plates and glass. We were trying to avail the same with the original supplier “ techno steel” but the response from their end is not positive (*communication attached*).

Hence other vendor has been identified.

Note :- We had approached washmatic for the support but they are not providing services for other makes, hence **AAKASH INTERNATIONAL** is been selected as they are ready to do installation and provide service for Electrolux, Ecomax, Whirlpool, Zanussi.

Cost negotiated from INR **9850/-** to **9400/-** per unit for rinse and chemical dispenser and Installation negotiated from INR **2000/-** to **1500/-** per site

Sites where installation is needed :-

Site	Glasswasher	Dishwasher
CC Worli	whirlpool	ecomax
CC KH	ecomax	Electrolux
CC Seawoods	Electrolux	NA
CC Juhu	zanussi	NA
CC BKC	Electrolux	NA
CC Viviana	Electrolux	NA

Cost Break-up :-

Work Description	Qty	Rate	Amount	GST Amount	Total
Dispensor for Rinse and Dispensor for chemical.	16	9400	150400	27072	177,472.00
Liquid tube and cable	8	750	6000	1080	7,080.00
Installation	8	1500	12000	2160	14,160.00
Grand total					198,712.00

Regards,
Amol
