Dear Team Dayspring,

Following our recent telephonic discussions, we have reviewed the attached Purchase Order (PO) for the interior works at **Chaayos, Mumbai T2**.

The rates captured post the round of reverse auction (negotiation) are incorrect, specifically, rates of some items (**Main Cable & Few Other Miscellaneous items**) have been listed with a rate of 0.

This issue will led to the inclusion of additional items which is part of the original BOQ.

Due to this issue, we are left with no option but to terminate the PO with immediate effect. Kindly consider the PO (**Semolina/PO/24-25/001403**) as **terminated**.

However, we request that you initiate the refund of the advance amount which has been already released against this PO.

**Regards,
Mrunal.**
