Hi Asad,
Let's proceed for 1 year contract, as this year we might see lot of clean-up, standardization and SSP related work. Give it to Procurement to conclude.

We will see next year if we want to continue or do on case-to-case basis.

Regards,
Venu

Dear Venu,

As discussed, here is the revised quotation attached as received from XCT.

Dear Nikhil,

This partner is providing us value add on getting all our firewalls in single management ID which is right now with different ids.
Should we get this in place and may be later next year will evaluate other partners aswell.

Dear Venu,

As discussed, attached is the proposal from XCT Solutions for managing our firewalls.

- Firewall Firmware Upgrades along with all other services offered as mentioned in proposal.
- Collaboration of all firewalls under single management ID will be aided by partner which is now random and not trackable.
- Partner technical evaluation done by getting MALS firewall firmware upgraded and resolution of VPN issue after upgrade.
- Firewall Subsciption renewals / device upgrades due's next month onwards during the year can also be taken care smoothly.

Request for your approval to proceed.
