Dear Sir,

As suggested by you, we have made one chair locally which will cost us Rs.7670 if we order in bulk qty, if the ordered qty is below 100 it will cost us 8024.

- Kelvin has quoted lowest price but the quality is not good that's we had stopped purchasing.
- Amar Sofa is Quoting 12744 for new projects, and Newly identified vendor is Quoting 7670 Including tax.
- There is saving of Rs.5074/- per chair
- The sample is shown to you, Ravi and Amit.
- Your remark on cross support will be considered.

Cost Comparative -

Amar Sofa	Sunny	Kelvin		Sai shrushti	
Good Quality	Good Quality	Poor quality	poor quality	Below 100 qty (Good Quality)	Above 100 qty (Good Quality)
12744	12390	9250	8605	8024	7670

Kindly suggest, So that we will share it in Safal for approval.

Regards,
Amol

Dear Sir,

As a result of the poor quality of the chairs(Ravi also have mentioned in the mail), we have not considered M/s Kelvin vendor, and we have taken some chairs from Sunny overseas in cyber hub, whose quality is very good. We are sending this proposal to CPT for further negotiation and the addition of another vendor through their references.

Amol
