Dear Sir,

Greetings from ACE Technologies!!

Unit has been inspected and found mention below component required. Please get the quote below.
On other hand please share your GST certificate to generate the invoice.

Note :- As Motor is not working because of MTR speed controller and Magnetron also defective so machine cant be inspect fully so Inspection will take place once more post replacing mention below component. If any other component found defective, you'll charged extra accordingly.

@Yogesh, Please share service invoice.
