Subject: Re: IT Assets required Domino's and Subway

Dear Akshay Sir,

We have urgent requirement for IT equipment's to be installed for upcoming Domino's in Lucknow as discussed with Herambraj Sir, the one vendor who is already working with us in a past at opening at domino's at Guwahati, So due to emergency an urgent requirement we are going with single same vendor who is ready for providing Services immediately for Lucknow Domino's and subway, So request for your approval for further process.
