Dear Stephen,

As per your mail dated 27th Nov 2023 in the trailing communication we were told that we will receive the PO for the additional quantities of the Wet Works for Lucknow outlets. Based on this commitment we completed the work in the month of December itself and shared the PI for this work with you and Irfan ji in a separate mail on 28th Dec 2023 as suggested.

We have not received the PO for it yet despite multiple reminders and follow ups.

Requesting you to look into this matter on priority and issue the PO accordingly so that we can raise the invoices to close the project.

Attached herewith the PIs again for your reference.

Dear Irfan ji,

Hope you have provided the required approvals and completed the process at your end so as to issue the PO for the same.

Thanks & regards,

Shirish

Dear Irfan ji,

Please find the attached Excel sheet of BOQ quantities for your review.

Among them the red marked quantities will increase if we complete all the work according to drawings which are shared with us.

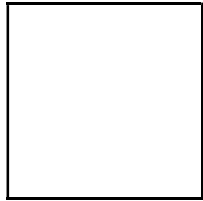

Some outlets have more quantities of the drawing in BOQ in green colour.

Please give us clarity for billing on additional quantities in the red marked outlet so we can proceed further or else we will complete the work only according to BOQ quantities.
