Hi Ameet,

As you would have seen on the other mail chain, it is going to cost us Rs. 5.15 lakhs for these 5 licenses and 0.96 lakhs for BREP (AMC for 1 year), Total Rs. 6.12 lakhs (excluding Tax). Attaching mail for reference.

Please make a note that these licenses will be purchased under TFS and will be charges to Semolina by TFS. Please reach out to Vikas for details.

These 5 licenses will be added to the existing pool of licenses which are already there for TFS and are not exclusive only for Semolina.

Please confirm if we can proceed with this.

Regards,
Venu

Hi Ameet,

We are already having shortage of licenses. Adding more users without adding more licenses will only make things worse.

Please share your principal alignment to purchase of as many licenses as the additional users, we can work out the license provisioning accordingly.

Please refer to Nikhil mail attached to understand the cost details.

Venu

Dear Ameet,

We have booked tickets for 2 team members (Mr Suman Jha and Mr Rahul), who will reach to your office on Thursday (16th May)

Meanwhile, kindly do the following needful:

1. We have started to take process understanding of AR. But we feel that until we get data and Navision access, it is little helpful. So, kindly arrange that also.
2. Please ensure that AP, AR and Tax team is available with discussion with our team from coming Thursday.

Thanks

Aman
