Dear Sudhir ji,

Attached two quotations for the subject work.

Ambika Enterprises - Rs. 68000/- plus tax  
AB enterprises - Rs.56,300/- plus tax

In comparison, though the rate is high, Ambika Enterprises seems to be better in terms of quality of workmanship and is flexible as well.  
Please advise and I shall raise PR accordingly.

Thanks,  
Nashid

Dear Sudhir,

Warm greetings to you.

We had a joint walkthrough to understand the scope and the same has been discussed with one of the vendors as well. He is visiting this Saturday or Monday to terminal further to which, costing shall be shared. We can complete the work in 3-4 days' time post approval.

@Joseph Raj Dear Chef, the wooden frame, as we discussed could be fixed giving sufficient space for ventilation, which will be atleast 6-8 inches away from the machines, at the pathway. We will confirm this once the vendor visits the outlet.

Regards,  
Nashid
