**Subject: Quotation for UPS Service & Repair Charges**

Dear Sir,

We are obliged for providing us the opportunity to your valuable enquiry!

It would be our privilege to execute our product in the field of UPS and Solar systems. Our Solution-Oriented approach has meant expanding our product portfolio to meet the needs of our customers. Today our basket of products includes:

- ONLINE UPS SYSTEMS – APC, EMERSON, EATON and other branded UPS.
- BATTERIES – EXIDE, AMARAJA, ROCKET – all branded SMF and TUBULAR.
- SOLAR SYSTEMS – UPS and SOLAR PANELS.
- STABILIZER–Branded SERVO STABILIZERS.
- TRANSFORMER – STEPUP & STEPDOWN.

We believe in authenticated and accurate technical expertise in the domain of power solutions.

- We also undertake maintenance contract in warranty and after the warranty period.
- Support corporate houses by providing Cost Effective solutions to attain lesser MTBF [Mean Time between Failures].
- Maintain considerably good response time at a highly efficient support level
- As a matter of fact, approximately 90% of our business comes either as repeat business or is a result of leads given to us by our existing customers.
- A customer-centric approach that has helped us understand in depth needs of our customers and match their expectations.

Our association with all branded UPS and Batteries has provided us with a impressive range of UPS systems that can match international specifications.

Backing up each of our customers, is a team of dedicated engineers that works towards offering a quick response to customer complaints.

We trust we have been able to share with you information about ourselves that you will find useful. Should you need any additional information, please feel free to revert to us.

Looking forward to receiving your valuable order!

Yours Sincerely,

**SYNERGY POWER SOLUTIONS
