Dear Mustafa,

What's the count manpower/ time for below commercials, dismantling and assembling 60k? How big is the job? The value is still unjustifiable. Also shifting 1.17lacs? How you calculated the said cost? What's the logic of manpower/ time here?

@Chirayu Adi @Aniket Soman - Please circle back by today eod with right commercial for us to confirm. Please treat this on high priority.

Dear Mustafa,

Can we have detail breakup of commercial against scope defined. As the ask of 2.5lac can't be quoted as Lumpsum figure. @'Chirayu Adi' – The cost mentioned for said exercise is way too high, kindly review and confirm back with us.

@Sandeep Bhat – Need the closure today on this with Bluestar team.

Regards,
Lovejot.

Dear Team,

Today we had group discussion with adani and your team as far as for the internal route we had decided the same and we are facing the CISF Permission because of the riser where we lift the outdoor is at the domestic airport area and this is in the control of CISF

Adani Team had confirm that they will get the permission from CISF for work from 13th April to 19th April and before that we will do the more passes formality for our extra manpower , material and tools

Apart from that the cost for the Movement of outdoor will be

1. Lifting and Shifting of Dismantel Outdoor
2. Dismanteling of Outdoor
3. Outdoor Stand
4. Refrigerant Topup
5. Assembling of Outdoor

Cost **2,50,000.00** + Taxes Extra

Kindly Confirm the same for our material procurement and Manpower

Regards.

Dear Mustafa

Please share design of the same instead of just width and depth. Ideally it must be made at your end as per your odu requirements.

This is last moment requirement from your end, will check and update once drawing received.
