Subject: Re: Fryer Urgent quote required Nando's Delhi T3

Dear Shadab,

Please get all these works done from your technical team.

They can call me if they need any clarification on any equipment or its size.

They need to takeout the measurements from Excel and match to the design provided in previous drawings shared by Ali.

Alternatively, you can get this job done from your finalized vendor .

Regards
Ather

Dear Shadab,

Please refer to the attached shop drawings for the Main Hood and Oven Hood, recently used in our RMZ projects, for your reference.

Please note that the hood sizes vary depending on the alignment of the main prep line at each location

Regards
Ali

Dear Sandeep,

You may please negotiate the best possible rates with the vendor, considering all airport locations and a potential bulk purchase, Since we have previously used gas-operated equipment, there's no existing rate contract for this item. (We must discuss on the grids of Front Grill and Fryer model with ops for the confirmation)

[@Amit Bhayana](#) Request your confirmation on the proposed electrical grill and fryer for the airport.

[@pankaj@aradesign.in](#) [@Safdar Shaikh](#) I trust you have factored the required electrical load for these items into your plans. Please also work with Sandeep and the equipment fabrication team on the back grill load details.

[@Shama Nair](#) May I request that you and your team review all the drawings and details thoroughly? Please raise any flags if there are challenges or if additional information is needed related to execution or equipment requirements. If necessary, they can set up a call to review the MEP and interior drawings in detail with myself and designers, specific on discussing execution and with MEP needs for equipment in the BOH area.

Regards,
Ather

Dear Ather /Ali /Sneha ,

In reference to the previous email, we have received a quote for the Electrolux Front Grill (as per the model numbers provided). Additionally, we understand from Saikat Das (Electrolux team) that you have approved the Electrolux gas-operated fryer for upcoming Nandos outlets , and now He has quoted an equivalent electric model, 391339.

I have attached Specification & quotes for same , Please confirm so we can proceed with the order.

Thanks & Regards
Sandeep Bhat
