Hi Nashid,

As discussed, we can have this done for 1.3 lakhs.

The payment needs to be done in full before we start the work.

Thank you

Hi Double Prakasam,

As per our discussion, I,m sharing the quotation and the requirements.

1. We would need full payment in advance to start the work on site.
2. We would need the colour codes from the Asia paints shade card.
3. We would need the area blocked so that the artist can work freely {The artist food and beverages needs to come from wendy's only. So he doesn't have to leave the site. As we have tight deadlines}
4. The artist can start work tomorrow and would need at least 2 days to complete the work.

Please let me know if there is anything else needed.

PS : Sharing the proforma invoice so that the payment process can be faster.

Thank you
