Dear Pravin,

Please go ahead with procurement as per Kelvin's suggestion. The light we approved was of Jordan make, but only the light temperature needed to be changed to 4000k.

Regards,
Rita

Hi Rita,

The model shown in the mail of 7th October is the one I approved at site to go ahead. Please proceed with 4000K as indicated by Sukanya on 11th October 2024.

Warm Regards

Dear Kelvin,

Please review the specifications of the external wall grazer (sample was inspected at site during your visit) for the project and give your approval accordingly.

Thanks and regards,
Rita
