Hi Ramendra

As per our discussion kindly hold the PO for new Kulfi display, we will be going for the existing Kulfi display which Joshh team is having at Bhiwandi Warehouse

Hi Amol

As per our discussion kindly share the repair cost description so that we can raise Po accordingly also as know from you all the acrylic trays are included in with the unit as confirmed from your side

Kindly let us know when we can pick up the equipment once ready

Regards
Ashish

Dear Rajesh Sir,

Please find attached the quotation received from the supplier. As per your suggestion, we are ordering the Smart Williams Refrigeration with the Popsicle tray, as shown in the attached image from the existing Josh outlet.

There is a difference in the costing for the GN Pan and the Popsicle tray:

- GN Pans (265×165×150mm), Qty required: 12 * 1350 = 16,200/-
- Popsicle Tray, Qty required: 4 * 7,600 = 30,400/-

The difference in amount is 14,200/-.

Kindly provide your approval to proceed further

Thanks & Regards,

Ramendra Singh

Dear Sir,

This was already briefed to the semolina team, that, we don't require GN pans, instead we need acrylic trays to hold the kulfi for displaying the product, (photos are shared with them)

Dear Ajit, Please double confirm that -The machine should be air circulated not static one.

- We need to add acrylic trays and kulfi holder for display purposes
- We have Corian finish in our Powai machine (Brand color Corian) please consider the same.

Regards,
Amol
