NT 27/1

(1.428-500.0 NT 27/1 *EU)

Description

The NT 27/1 is a compact, highly manoeuvrable and user-friendly wet/dry vacuum cleaner for allround commercial applications. Its powerful fan provides enormous suction power. The unit is equipped with a cartridge filter. A mechanical float system cuts off suction as soon as the container is filled to its maximum capacity to prevent overflow. The practical clip system ensures quick and simple accessory changes. Five smooth-running swivel castors guarantee excellent manoeuvrability and rock-steady stability. The top of the fan cover features a practical flat tray-like surface for oddments. The entire housing is made of impact resistant plastics. The NT 27/1 also features accessory holders and a hook for a tidely stored power cord. The ergonomically shaped carrying handle gives the unit a low weight and makes it convenient to transport. Complete with all accessories. The NT 27/1 has an all-round bumper which protects the machine as well as walls, equipment and furniture from damage.

Technical Details

- Supply voltage: 220 – 240 / 50 – 60 V / Hz
- Air flow: 72 l/s

- Weight incl. packaging: 9 kg
- Dimensions (L x W x H): 420 x 420 x 525 mm

Puzzi 10/1 + Hand

(1.100-138.0 Puzzi 10/1 + Hand *EU)

Description

Puzzi 10/1 with upholstery nozzle and floor nozzle is particularly suited to hygienic and effective cleaning of small to medium surfaces. With 1 bar spray pressure, the spray extraction machine ensures gentle, deep cleaning of textiled surfaces and delivers impressive results, especially when cleaning carpets and upholstery. Thanks to the narrow floor nozzle, the machine is optimally suited for use in confined spaces. The flexible suction lips allow cluttered areas to be cleaned easily. The spray extraction machine is fitted with an integrated cable hook and a holder for a handle with trigger and suction pipe.
