Hi Manish,

As per our discussion, we believe that the current tender docket is ideal and we can complete the project within 70 days. Once we receive confirmation and the purchase order, we will kick off the site within 3 days and mobilize the materials within 7 days from the kick-off meeting.

Regarding the payment terms, we request a 30% advance of the purchase order value without requiring a bank guarantee. We will submit the RA bill every 15 days and expect payment within 15 days after submission.

We are excited to start working on this project and are looking forward to hearing from you soon.

Regards,
Vishal
