Commercial Investment Proposal for Posbank POS system and Epson Receipt_003_Revised.xlsx
13 KB

Hi Herambraj ,

As per our discussion ,please find attached commercial proposal with Ethernet port printer option too.

While placing order please mention USB and Ethernet port printers separately to avoid any confusion which also will help us to process order in our system .

How would you rate Qodenext services and your experience with us?

With Warm Regards,

Sanket Shah
